

**Construction Industry Council**

**Committee on Mainland Affairs**  
**Summary of Meeting No. 001/25**

**Key Highlights**

1. The annual work plan includes a minimum of eight technical visits, two courses on National Affairs for Hong Kong Construction Industry, and two business matching sessions, among other activities.
2. As of 12 March 2025, the MLS Department organised a total of eight visits for the industry, including six meeting exchanges and two technical visits. The technical visits included a BIM exchange in Beijing in January and another focused on green construction and hydrogen energy solutions in the Greater Bay Area at the end of February. A total of 52 industry representatives participated in the technical visits, with an overall satisfaction rate of 98%.
3. The MLS Department plans to organise a BIM Information Technology Application and Innovation Seminar in March. The upcoming technical visits will focus on Robotics, Artificial Intelligence, and Low-Altitude Economy in the Greater Bay Area in May and the East China region in June. The 6th National Affairs for Hong Kong Construction Industry course will be held in Beijing in June.

**Construction Industry Council**
