

Construction Industry Council

Construction Industry Training Board
Summary of Meeting No. 003/25

Key Highlights

1. Matters Arising from the Previous Meeting

Item 2.10 - Training Strategy and Direction of Vocational and Professional Education and Training (VPET) for the Construction Industry

Members took note of the data on Daily Attendance Record and telephone survey of registered workers and opined that more data were needed to formulate a direction on the proper ratio of registered general workers, registered semi-skilled workers and registered skilled workers for further consultation with different stakeholders of the industry. Regarding the issue of how workers could maintain their craftsmanship skills after obtaining the qualifications of semi-skilled workers and skilled worker, the Chairperson pointed out that in addition to considering the provision of an eLearning platform for workers to learn about construction safety and innovative technologies, the craftsmanship skills of workers should also be upgraded.

2. Appointment of Member to the Hong Kong Institute of Construction Management Board (HKICMB) and Company Director to the Hong Kong Institute of Construction (Paper CIC/CTB/P/021/25)

Members endorsed the appointment of Member to HKICMB and Company Director to HKIC.

3. Membership and Term of Office of Boards under the Construction Industry Training Board (Paper CIC/CTB/P/022/25)

Members approved membership and term of office of boards under CITB.
